INFORMER - rugged, robust & simple pavement signs

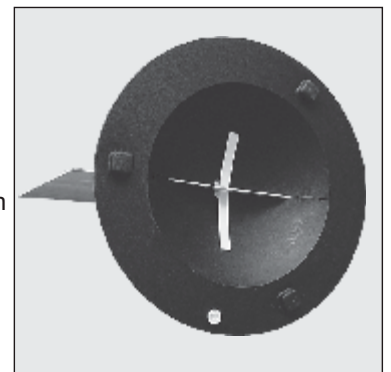

The Informer footpath sign is simple yet rugged enough to withstand life on the street. Available in a wide range of base colours with two different size PVC panel options as well as powdercoated aluminium panels available in white, black, yellow, dark blue, and metallic silver. CX9 aluminium panels are all 900mm high giving an extra 100mm graphics area.

Option of PVC or aluminium powder coated panels

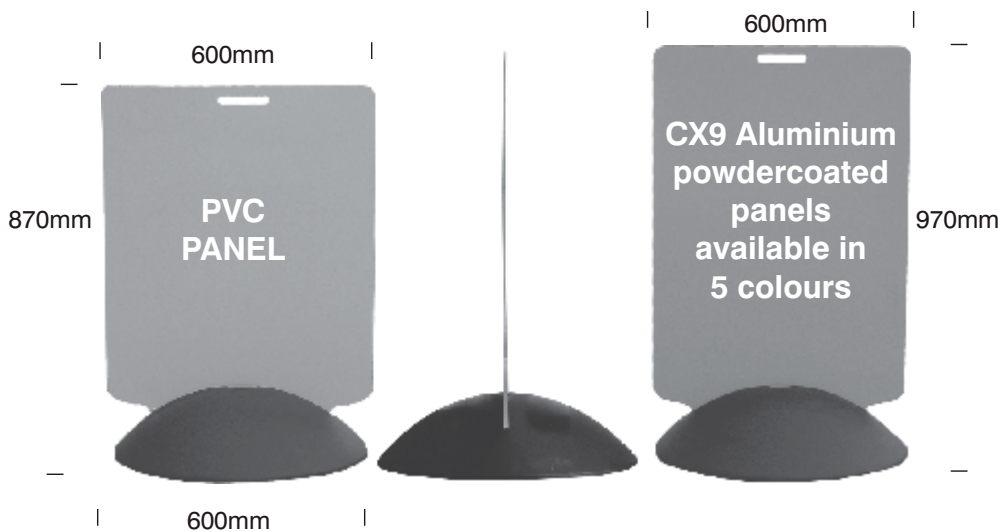

Water weightable base

Panel locks into place

Shaped panels

For full panel dimensions see Footpath Sign panel size sheet
